Subject: Cultural monitor scheduling for Leviathan RI/FS Field Work

Hi Darrel,

We are tentatively planning to need a tribal monitor for one to two days next week. It'll likely be Tuesday and Wednesday (5/23 and 5/24). The tribal monitor can meet us at 395 at 6:45 and caravan into the site or ride with us. There are two areas to survey and both are very near the mine. Will the monitor be Billyhawk? If so, I have his number and can confirm the date and meeting time with him as it gets closer.
